

## Gauge O Guild

## Student Membership Form (Under 18 on the day of joining)

The Guild's aim is to encourage and assist modellers working in all areas of 7mm railway modelling from narrow gauge to tinplate and from Finescale to ScaleSeven. Whatever your interest, you are assured of a warm welcome in the Guild, sure in the knowledge that membership is the ideal way of keeping in touch with everything in 7mm modelling.

We actively encourage people of all ages to join us and enjoy the hobby. Your annual subscription will renew on the 1st of the month following the anniversary of your joining date. A reminder will be sent to you about converting to full membership when you reach 18 years of age.

The Gazette magazine is published quarterly in February, May, August and November. In addition to these is the Guild News which gives details of local area groups, events, news items and Members' Sales and Wants.

Your new member pack will include your membership card, general information about the Guild and a copy of the most recently published Gazette. You will then get subsequent Gazettes when they are published.

Please be sure to include your email address if you have one, so that you can have access to the very comprehensive resources on the website and so that we can send you timely updates.
